

Kanye West, See You In My Nightmares

That you know

[Lil Wayne]

I got the right to put up a fight
but not quite cause you cut off my light
But my sight is better tonight and I might
see you in my nightmare, oh but how did you get there
cause we were once a fairytale
But this is fair well

Baby girl I'm finished
I thought we were committed
I thought we were cemented
How I thought we meant it
Now we just forgetting
Now we just resenting
The clouds in my vision
Look how high I be getting
And it's all because of you
Girl we through
You think your shit don't stink but you are Mrs. P-U
And I don't see you with me no more
Now tell everybody that you know
That you know!

[Kanye West]

That you know
Tell everybody that you know
That I don't love you no more
And that's one thing that you know
That you know
That you know
Tell everyone that you know
That I don't love you no more
And that's one thing that you know
That you know...
