

Kanye West, See You In My Nightmares (Ft. Lil Wayne)

[Intro: Kanye West & Lil Wayne]

I'm cold (Yeah)

I'm cold (Yeah)

I'm cold (Yeah, yeah)

[Refrain: Lil Wayne]

I got the right to put up a fight

But not quite, 'cause you cut off my light

But my sight is better tonight

And I might see you in my nightmare

Ooh, how did you get there?

'Cause we were once a fairy tale

But this is farewell, yeah

[Verse 1: Kanye West]

I got my life and it's my only one

I got the night, I'm running from the sun

So good night, I'm headed out the door

Door, door, door, door

After tonight, there will be no return

After tonight, I'm taking off on the road

I'm taking off on the road

And that, you know

[Chorus: Kanye West]

That, you know

Tell everybody that you know

That I don't love you no more

And that's one thing that you know, that you know

[Verse 2: Kanye West]

Okay, I'm back up on my grind

You do you and I'm just gon' do mine

You do you 'cause I'm just gon' be fine

Okay, I got you out my mind

And the night is young, the drinks is cold

The stars is out, I'm ready to go

You always thought I was always wrong

Well, now you know

[Chorus: Kanye West]

Tell everybody, everybody that you know

Tell everybody that you know

That I don't love you no more

And that's one thing that you know, that you know

[Refrain: Lil Wayne]

I got the right to put up a fight

But not quite, 'cause you cut off my light

But my sight is better tonight

And I might see you in my nightmare

Ooh, how did you'd get there?

'Cause we were once a fairy tale

But this is farewell, yeah

[Verse 3: Lil Wayne]

Baby girl, I'm finished, I thought we were committed

I thought we were cemented, I really thought we meant it

But now we just repent it, and now we just resent it

The clouds is in my vision, look how high that I be getting

And it's all because of you, girl, we through

You think your ish don't stank, but you are Mrs. P-U

And I don't see you with me no more

Now tell everybody that you know, that you know

[Chorus: Kanye West]

That, you know

Tell everybody that you know

That I don't love you no more

And that's one thing that you know, that you know

That you know

Tell everybody that you know

That I don't love you no more

And that's one thing that you know, that you know
