Kanye West, Street Lights

[Intro]
Let me know
Do I still got time to grow?
Things ain't always set in stone
That be known let me know
Let me

[Chorus]
Seems like street lights, glowing, happen to be
Just like moments, passing, in front of me
So I hopped in the cab and I paid my fare
See, I know my destination, but I'm just not there
All the street lights, glowing, happen to be
Just like moments, passing, in front of me
So I hopped in the cab and I paid my fare
See, I know my destination, but I'm just not there

[Refrain]
In the streets
In the streets
I'm just not there in the streets
I'm just not there
Life's just not fair

[Chorus]
Seems like street lights, glowing, happen to be
Just like moments, passing, in front of me
So I hopped in the cab and I paid my fare
See, I know my destination, but I'm just not there
All the street lights, glowing, happen to be
Just like moments, passing, in front of me
So I hopped in the cab and I paid my fare
See, I know my destination, but I'm just not there
All the street lights, glowing, happen to be
Just like moments, passing, in front of me
So I hopped in the cab and I paid my fare
See, I know my destination, but I'm just not there

[Refrain]
In the streets
In the streets
I'm just not there in the streets
I'm just not there
Life's just not fair
Life's just not fair
