[Intro]

Yo, Gee, they can't stop me from rappin', can they? Can they, Hop?

[Chorus: Chaka Khan]

Through the fire, to the limit, to the wall
For a chance to be with you, I'd gladly risk it all
Through the fire, through whatever, come what may
For a chance at loving you, I'd take it all the way
Right down to the wire, even through the fire
[Over Chorus]
I spit it through the wire, man
There's too much stuff on my heart right now, man
I'd gladly risk it all right now
It's a life-or-death situation, man
Y'all, y'all don't really understand how I feel right now, man
It's your boy, Kanye to the...

[Verse 1]

I drink a Boost for breakfast, an Ensure for dessert
Somebody ordered pancakes, I just sip the sizzurp
That right there could drive a sane man berserk
Not to worry, Mr. H-to-the-Izzo's back to wizzerk
How do you console my mom or give her light support
Tellin' her her son's on life support?

And just imagine how my girl feel

Chi-Town, what's goin' on?

Uh-huh, yeah, yeah

On the plane scared as hell that her guy look like Emmett Till She was with me before the deal, she'd been tryna be mine She a Delta, so she'd been throwin' that Dynasty sign No use in me tryna be lyin', I been tryna be signed Tryin' to be a millionaire, how I used two lifelines

In the same hospital where Biggie Smalls died

The doctor said I had blood clots, but I ain't Jamaican, man

Story on MTV and I ain't tryna make a band

I swear, this right here, history in the makin', man

Through the fire, to the limit, to the wall

For a chance to be with you, I'd gladly risk it all Through the fire, through whatever, come what may For a chance at loving you, I'd take it all the way

Right down to the wire, even through the fire

[Over Chorus]

I really apologize for everything right now

If it's unclear at all, man

They got my mouth wired shut

For like... I dunno, the doctor said like six weeks

Y'know, he had, I had reconstructive surgery on my jaw

I looked in the mirror

And half my jaw was in the back of my mouth, man

I couldn't believe it

But I'm still here for y'all right now, man

This what I got to say right here, dawg Yeah, turn me up, yeah, uh

[Verse 2]

What if somebody from the Chi' that was ill got a deal

On the hottest rap label around?

But he wasn't talkin' 'bout coke and birds

It was more like spoken word, 'cept he's really puttin' it down?

And he explained the story 'bout how Blacks came from glory

And what we need to do in the game

Good dude, bad night, right place, wrong time

In the blink of a eye, his whole life changed

If you could feel how my face felt

You would know how Mase felt (Mason Betha!)

Thank God I ain't too cool for the safe belt

I swear to God, driver two wanna sue

I got a lawyer for the case, to keep what's in my safe safe

My dawgs couldn't tell if I...

I looked like Tom Cruise in Vanilla Sky, it was televised

There's been an accident like GEICO

They thought I was burnt up like Pepsi did Michael

I must got a angel, 'cause look how death missed his ass

Unbreakable, what, you thought they'd call me Mr. Glass?

Look back on my life like the Ghost of Christmas Past

Toys " R" Us where I used to spend that Christmas cash

And I still won't grow up, I'm a grown-ass kid

Swear I should be locked up for stupid shit that I did

But I'm a champion, so I turned tragedy to triumph

Make music that's fire, spit my soul through the wire

[Chorus: Chaka Khan]

Through the fire, to the limit, to the wall

For a chance to be with you, I'd gladly risk it all

Through the fire, through whatever, come what may

For a chance at loving you, I'd take it all the way

Right down to the wire, even through the fire

[Over Chorus]

Y'know what I'm sayin'?

When the doctor told me I had, um

That I was gonna have to have a plate in my chin

I said, "Dawg, don't you realize I'll never make it on a plane now?"

"It's bad enough I got all this jewelry on!"

You can't be serious, man
