

# Kanye West, Wash Us In The Blood (feat. Travis

Take some  
Rain none  
Rain stop  
Don;t want  
Want none  
Rain come, rain come  
Come shine, come rain, come up  
South side, let it bang  
Outside , let it rain  
Rain down on a pain  
Rain down on a slang  
Rain dwon on the farm  
Shower us whit your love  
Wash us with your blood  
Drop this for the thugs  
Know i grew up in the mud  
The top is not enough  
Wash us in the blood

Is there anybody here?  
Is there anybody here?  
That can save no matter how much you play out here  
It was the blood that  
It was the blood that God  
It was the blood that cleaned me  
It was, the

Shower down on us  
Wash us sin the blood  
Wash us sin the blood  
Whole life beign' thugs  
No choice, sellin' drugs  
South side, what it does  
Rain down on us  
Genocide, what id does  
Rain down on us  
Whole life sellin drugs

Wash us in the blood  
Wash us in Your blood  
Wash us in the blood  
Wash us in the blood  
Wash us in the blood
