

Karan Goran, Stay With Me

Don't turn away
I need your love
'Cause you're the only one
That I've been dreaming of
Don't turn away
Don't close the door
'Cause you're the only one
That I've been hoping for
Come hold me tight
I need your light
Just come and take me
To the place I long to be Stay with me
Love is all I'm praying for
Stay with me
Give me strenght to carry on
Stay with me
And hearts will surely
Find the way to go
Stay with me
Be my shelter
When the angels dissapear
