

# Kari Amirian, Dreamer

When it snows or rains  
Through his eyes it's still a sunny day  
I never know  
What my dreamer will come up with this time

Money's short tough time  
He buys candies for our only dime  
"God supplies" says my dreamer  
And he smiles

Take me in, make me a dreamer  
Show how you turn the night into the day  
With your dreamers charm

When I'm with you  
I see the world in a grain of sand  
You bring the best of me  
Stay a dreamer for good

Making plans, no fun  
Cause his time is made of bubble gum  
He's always late and he always says  
That it was the last time

I can beg or shout  
But he's still a little child at heart  
After all  
It seems much better than it sounds

Take me in, make me a dreamer  
Show how you turn the night into the day  
With your dreamers charm

When I'm with you  
I see the world in a grain of sand  
You bring the best of me  
Stay a dreamer for good

You got me now  
You got me now all fears gone away  
You got me now  
You got me now all fears gone away

You're my dreamer  
You're my dreamer  
You're my dreamer
