

Karin Ann, babyboy

I don't care if you don't like me,
And boy you can't do shit about it
Stare at me as i walk by,
Oh It's me you're being ignored by

Babyboy im not your baby,
And i'll never be
Babyboy you treat girls badly
Like accessories

No i don't wanna by yours
And i don't want to see where this thing goes
All the promises you wont keep
I can see that your talk is cheap

Babyboy im not your baby,
And i'll never be
Babyboy you treat girls badly
Like accessories
