

Karin Ann, we´re friends, right?

it's been a week
you've already found someone new
it's interesting
how fast you found her
i don't understand
how you could be moving on so fast
but it's fine
'cause we´re friends, right?

i haven't cried in a day
but i swear i'm fine
i saw you with her
i should've seen the signs
i hope you have fun
in her arms
and i'll swear that it's fine
'cause we're friends, right?
