

Karla Bonoff, Tell Me Why

Everywhere I look the sun is shining
But it always raining here inside
I can see
You really had a hold on me
It a mean old love
With a flame that never dies

Won you tell me why
I can say goodbye

Everywhere I go you're in my shadow
When I turn around there no one there
And it a real bad sign
I walking on a real thin line
A fool in love with a fool that never cared

Won you tell me why
I can say goodbye
Won you tell me why

Ask anyone you know
And theyl say love fades away
But this hearts' cryin' just like yesterday

And it a real bad sign
I walking on a real thin line
A fool in love with a fool that never cared

So won you tell me why
I can say goodbye

Won you tell me why
I can say goodbye
