NANANA

It was a warm midsummer night!  
he just came and made me feel alright  
for one look (yeah, hes got the look)  
for one touch (she really wanted him so much)  
then he grabbed his old guitar,  
began to play  
he sang to me nanananana,  
so naturally he set my heart on fire,  
he truly was my one desire  
oh baby, how he was  
nananana  
he sang to me nanananana  
my god, he couldnt get me any higher  
was not supposed to be a liar  
but babe, thats what he was  
nanananana  
what a warm midsummer night,  
i just wanted him to hold me real tight  
for one look (yeah, hes got the look)  
for one touch (she really wanted him so much)
