

# Karmic Passage, Heartbroken

Why am I  
wastin' the days  
alone and incomplete  
without anyone

Countin the days  
til' I see her again

How could I  
picture myself as a  
portrait of a man  
sittin' on a window  
watchin time pass by.

[Chorus]  
I'm havin' trouble findin'  
myself again.  
I feel somethin' that I  
just can't comprehend.  
I feel so  
Heartbroken  
(Heartbroken...)

How many times  
do I find mself,  
lyin' alone in my bed,  
starin' at the celing  
as my heart stands still

Coutin' the days  
til' I can see love again.

[Bridge]  
Teardrops  
wastin' away into my veins  
suffering after another one.

[Chorus]  
[Repeat 1st Verse]  
[Chorus 2x]

Heartbroken...
