

Karmin, Coming Up Strong

Why you're crying, it's ok now
If I hold you, will you calm down?
It's your way with words
That can make me burn
When you say it, do you mean it?
When I shout out, can you hear me?
When it's all too much
Look at what we've done

That's when I'm coming up strong,
Coming up strong
Coming up, coming up strong
Coming up ohhhh,
Nothing you can do to break us now
Singin' our song, gettin' lost to the sound
Once I was lost now I'm found
Shinin' through the dark can't hold us...
/2x

Call me ruthless, we been through this
Who's to blame now, babe it's useless
Cause it's no one's fault, if the lights were off
When we're shining, then we're flying
Through the wheelhouse, that we're grinding
When it's all too much,
Look at what we've done

That's when I'm coming up strong,
Coming up strong
Coming up, coming up strong
Coming up ohhhh,
Nothing you can do to break us now
Singin' our song, gettin' lost to the sound
Once I was lost now I'm found
Shinin' through the dark can't hold us...
/2x

So easy we forget and say
Clouds are movin' in
Rain starts to fall again
But as soon as you tell me it's okay

That's when I'm coming up strong,
Coming up strong
Coming up, coming up strong
Coming up ohhhh,
Nothing you can do to break us now
Singin' our song, gettin' lost to the sound
Once I was lost now I'm found
Shinin' through the dark can't hold us...
/2x

Why you're crying, It's ok now
If I hold you, will you calm down?
When it's all too much
Look at what we've done
