Karmin, I'm Just Sayin'

Ohhh If I want it I'm gonna get it And I'm just sayin', I'm just sayin' /x2

Future in my hands
Gotta make it count
Convince yourself it's feasible
Then there's nothin' else
Sick addiction
Dangerous mind
Put it on command'

Even when you got a shadow of a doubt

Even when a hundred people tell you it's a wipe out

You gotta do it big You gotta do it strong

At the end of the day you're the one who's in the wrong

Regretin' and forgettin'
Everything you worked for
Instead a trend
Sottin' & amp: bottin'

Settin' & Amp; bettin'
It's so upsettin'
I'm sweatin now
And I can't believe it
It should be so easy, oh...

Already got a knack

Just dial it back

The window's open and the world is yours

Go attack

Cause when the wind is right & Damp; the tide is high

Then It's time to fly

Ohhh If I want it I'm gonna get it And I'm just sayin', I'm just sayin' /x2

I know know know Where to go go go Oh oh oh oh oh oh oh oh oh /x2

Did you ever think
I'll do what I want
Me in the marathon, uh
One in the front
Now you're makin' plans
Don't let them screw it up
Better write your name on it
Paper cup
Most people afraid of hearin

Most people afraid of hearing no Got booed off stage once apollo I can do anything that I wanna do

And I'll take that cause it's not for you

Took a few years to surface But now it's so bizurkus

And I'm ring leadin' in this circus

I'm just sayin' I'm just layin'

And pavin' the road ahead of me

Bravin' the elements and watchin' it cave in

My heart is racin' and palpitatin'

I'm so done anticipatin'

It's all good, yeah made up my mind

Threadin' the needle is part of the design

Ohhh If I want it I'm gonna get it And I'm just sayin', I'm just sayin' /x2

I know know know Where to go go go Oh oh oh oh oh oh oh oh oh /x2

Ohhh If I want it'
I know I'm gonna get it

We bein' honest, huh?
Let em tell you no
We on another plane approachin'
Destination hit the main vein
Now we glidin' windin'
Tryin' not to crash
Cause we so high
Gotta keep grindin'
