

Kasabian, You're In Love With a Psycho

You know it's the place I need
But you got me walking circles like a dog on a lead
And the doctors say I;m crazy
That I'm 8 miles thick
I;m like the taste of macaroni on a seafood stick

And you got me switched on baby like electric eels
And the time we act so phony
That;s just how I feel
Like a grapefruit and the magic trick the prodigal son
I;m walking /2x
I walk /2x
So quick

And it just don't mean a thing
We've been waiting far too long
We'll play it and again
This is just my serenade
