

# Kash Killaz, Mehgan Teherani

(Kriminal)

Solo shit here, yo, yo

(Chorus by D-Ward)

There's the girl that I like  
Now more than every she gives me butterflies  
And all I wanna do is look into her eyes  
And she if she loves me like I love those thighs  
She's the girl of my dreams  
But sometimes it seems like it will never be  
All I want is to make her love me  
And maybe one day she'll wanna fuck me

(Verse 1)

If God exist, why am I pissed?  
If she wants me, then what the shit?  
Mehgan you have no idea what you mean  
But everytime I approach you, you act so mean  
Like bitch what the fuck?  
I cant tell what the fuck's up  
But fuck it, you know I'm in love  
Wont even ever give me a hug  
But I'm always there to give you a rub  
Baby, call me up and maybe we can hook up  
After that, maybe fuck

(Chorus 2x)

(Verse 2)

Your so damn positive  
Bitch I'm always negative  
I hate the fucking world  
I hate every baby and every kid  
I wanna shoot some shit  
And nuke some shit  
But here you are, goddammit I love you bitch  
I wont call you a bitch, but you always bitch  
Like shit, the fuck you expect from me bitch?  
Fuck it, I fucking hate you bitch

(chorus 2x)

(Verse 3)

Oh my God  
I dont know what's gotten into me  
Mehgan Teherani, I love you  
You mean everything to me  
I'll fucking sing if it makes you happy  
I'll kill or die for you girl, even kill your Papi  
Your daddy, that motherfucker givin me problems  
Tell that motherfucker, to fuck off and buy one  
He needs a slut, otherwise he'll fuckin rape you  
And I dont want that shit  
He only says "BITCH I HATE YOU"  
I wanna fucking mate with you  
So lets leave this city  
We can go somewhere and fuck like P. Diddy

(Chorus 4x)

Mehgan Teherani,  
I love you girl remember that  
But shit girl, if you aint gonna fuck, then you need to fuck off  
Word to your dad and your fucking mom
