

Kasia K8 Rościńska, I ADORE YOU (ft. Kuba Badach)

There ain't nothing that I couldn't do babe for ya
'Cause I adore ya

There ain't no love
When you're not around
And when you come back
I just can't get enough of you
Ooh I can't wait
To see you again in the morning light

There ain't no life
When you're in other place
And I got too much space
And I don't know what to do with it
Ooh I daydream
So wake me up and ask me for anything, I'll do it tonight

There ain't nothing that I couldn't do babe for ya
'Cause I adore ya

There ain't no time
That I wouldn't like
To have spent with you
On anything we wish to do
Together.
How sweet is the taste of forever.

Time is our friend, we wait no longer
Love is our power, we know we're stronger
World is our home, we need no other
Wherever we go we got each other, so

As long as it takes we'll stay together
As hard as we can we'll try and be better,
As much as it gets I will love you 'cause
I adore you....

There ain't nothing that I couldn't do babe for ya
'Cause I adore ya
There ain't nothing that I couldn't do babe for ya
'Cause I adore ya
There ain't nothing that I couldn't do babe for ya
'Cause I adore ya
There ain't nothing that I couldn't do babe for ya
'Cause I adore ya
