Kasia Nowak, Crush

Ahh, crush, ahhh

I see ya blowin' me a kiss

It doesn't take a scientist

To understand what's going on baby

If you see something in my eye

Let's not over analyze

Don't go too deep with it baby

So let it be what it'll be

Don't make a fuss and get crazy over you and me

Here's what I'll do

I'll play loose

Run like we have a day with destiny

It's just a little crush (crush)

Not like I faint every time we touch

It's just some little thing (crush)

Not like everything I do depends on you

Sha-la-la, Sha-la-la-la

It's raising my adrenaline

You're banging on a heart of tin

Please don't make too much of it baby

You say the word "forevermore"

That's not what I'm looking for

All I can commit to is "maybe"

So let it be what it'll be

Don't make a fuss and get crazy over you and me

Here's what I'll do

I'll pay loose

Run like we have a day with destiny

It's just a little crush (crush)

Not like I faint every time we touch

It's just some little thing (crush)

Not like everything I do depends on you

Sha-la-la, Sha-la-la-la

Vanilla skies (vanilla skies)

White picket fences in your eyes

A vision of you and me

It's just a little crush (crush)

Not like I faint every time we touch

It's just some little thing (crush)

Not like everything I do depends on you

Sha-la-la-la

Not like I faint every time we touch

It's just some little thing

Not like everything I do depends on you

Sha-la-la-la

Not like I faint every time we touch

It's just some little thing

Not like everything I do
