

# Kaskade, Let You Go

Why would I ever  
How could I ever  
Let you go.

You are my love  
Let me sing of  
All the things you are to me  
You are my friend  
You are the end (to troubles)  
It&#039;s true when I see you smile.

You are my love  
You are the joy  
With me wherever I go  
When I look into  
Your perfect eyes I know, I know, I know...
