

# Kataklysm, A View From Inside

Life will never be the same,  
As I enter it's final phase  
Who will take away  
This eternal pain  
The memories of a suffering past...  
I hide behind a shadow of depression  
No one knows how i feel...  
No one will ever know  
Look into my eyes  
Emotionless  
I lie  
Negative vibes  
Anger arise  
Pain inside  
Blade in hand  
Distorted signals  
Suicide mind  
Hope declines  
Innocent dies  
I'am failure
