

Kataklysm, Elder God

Elder God...
... Listen to Me!

Satan...
(The Confrontations...)

I... The Elder One...
Who Speaks to You...
Trying to get through to You...

... Sent from the Elder Gods...
To accomplish... And reveal to You...

... Listen to my Magick!
Hear the Voices of Fury...
Alive are the Voices...
Hear the Elder yell in Me...
... Listen to our Magick!
Hear my Voices of Fury...
Elder is your Magick...
Hear your Voices cry into Me...
Satan... Go back! From... Beyond...
Satan... Go back! From which You eternally lie...

... Listen to my Magick!
Hear the Voices of Fury...
Alive are the Voices...
Hear the Elder yell in Me...
... Listen to our Magick!
Hear my Voices of Fury...
Elder is your Magick...
Hear your Voices cry into Me...
Satan... Go back! From... Beyond...
Satan... Go back! From which You eternally lie...
Forever...
... Listen to You!
