

Kataklysm, Like Angels Weeping (The Dark)

These walls are closing in, they're bound to suffocate me
Compelled to live my life in ways I could never imagine
Can you save the dying eyes? Sentenced to never be free
I stand convicted of all your f**king lies

I can't wait to see... all the things, that should never see the light
The damage is irreparable... outrageous...
Like Angels Weeping The Dark

You'll never know what you did to me
Until I take my last breath... I'll take you to hell with me!

You want your chaos?... I'll give you war
Locked inside myself. I'll always blame it on you

I can't wait to see... all the things... that should never see the light
The Damage, is irreversible... outrageous..
