

Kate Voegele, Inside Out

In fairness I was an easy sell,
Though I'm embarrassed, to admit it to myself.
And the worst part is you know it all to well, hey.
So don't take advantage of my transparent self, no.
Ohh, but I think you would know what I need.
Impossible as it may seem, I think its easy to see.

(Chorus)

I am awake its getting late,
I made a mistake to be alone now,
yeah I'm alone now.
And come like the fire in my room,
I think I'm losing all control now,
I don't even know how.
But, I'm in your rip tide,
And now I'm inside out. Oh, Ohh.
Now I'm in a corner of a street cafe.
And my heart is warmer since
I heard from you today. Ohhh, Ohh.
Like a shallow creak, I am gleamin',
No chance of keeping any secrets.
And I'd like to know security, yeahh.

(Chorus)

I am awake its getting late,
I made a mistake to be alone now,
yeah I'm alone now.
And Come like the fire in my room,
I think I'm losing all control now,
I don't even know how.
But, I'm in your rip tide,
And now I'm inside out. Oh, Ohh.
I tried to hide it. I can't deny it
Now I'm inside out.
Say you love me, yes. All or nothing oh.
Now I'm inside out

(Chorus)

I am awake its getting late,
I made a mistake to be alone now,
yeah I'm alone now.
And Come like the fire in my room,
I think I'm losing all control now,
I don't even know how.

No, no.

I am awake its getting late,
I made a mistake to be alone now,
yeah I'm alone now.
Come like the fire in my room,
I think I'm losing all control now,
I don't even know how.
But, I'm in your rip tide,
And now I'm inside out.
