

# Kate Voegele, The Other Side

I cant decide - Why you hide whats inside - Ive disappeared from your eyes  
Well, nevermind, Im leaving you behind  
Dont pretend - Like you dont know who I am  
You dont understand - Can you tell me again?  
Why do I cling to things like you -When youll only break me again?  
What in the world do I see in you, - Standing on the other side of the mountain?  
Now, I know I can go out and show you just how  
Ill hold myself up on my own - Though your shadow will follow  
So wont you leave me here - Alone to stare down below - At you in the cold?  
Why do I cling to things like you -When youll only break me again?  
What in the world do I see in you, - Standing on the other side of the mountain?  
Take everything - And rip at the seams - So I can be free, set me free  
Why do I cling to things like you -When youll only break me again?  
What in the world do I see in you, - Standing on the other side of the mountain?  
I cant decide why you hide on the other side
