

Katie Cassidy, I Think I Love You

I'm sleeping
And right in the middle of a good dream
When all at once I wake up
From something that keeps knockin' at my brain
Before I go insane
I hold my pillow to my head
And spring up in my bed
Screaming out the words I dread
I think I love you!
This morning
I woke up with this feeling
I didn't know how to deal with
And so I just decided to myself
I'd hide it to myself and never talk about it
And didn't I go and shout it
When you walked into the room
I think I love you!
I think I love you
So what am I so afraid of?
I'm afraid that I'm not sure of
A love there is no cure for
I think I love you
Isn't that what life is made of?
Though it worries me to say
That I've never felt this way
wwwwhhhh
I don't know what I'm up against
I don't know what it's all about
I got so much to think about
Hey, I think I love you
So what am I so afraid of?
I'm afraid that I'm not sure of
A love there is no cure for
I think I love you
Isn't that what life is made of?
Though it worries me to say
That I've never felt this way
Believe me,
You really don't have to worry
I only want to make you happy
And if you say,
"Hey, go away," I will
But I think better still,
I'd better stay around and love you
Do you think I have a case?
Let me ask you to your face
Do you think you love me?
I think I love you
I think I love you
I think I love you
I think I love you
I think I love you
I think I love you
I think I love you
I think I love you
I think I love you
I think I love you
