

# Katie Melua, A Happy Place

I'm going to find a happy  
I'm going to find a happy  
I'm going to find a happy place

Seven thousand eyes are watching  
Marching home and no one's touching  
Army of the city workers  
Secretaries, lawyers, brokers  
Heading for a London station  
Heading for a quick salvation  
Oblivious to cherry cola  
Trying to sell to every stranger

Stuck here it's cold I'm standing  
Hoping for some understanding  
Only way to go is inside

I'm going to find a happy  
I'm going to find a happy  
I'm going to find a happy place

Seven thousand light years travel  
Let my sense of time unravel  
Trapped feelings are never ending  
Send those weaknesses descending  
Towards the earth's red centre  
Let the fire rise and enter  
Tap into the primal power  
Rising like a giant tower

The energy receiving  
Cut a hole right through the ceiling  
People getting smaller as you fly

I'm going to find a happy  
I'm going to find a happy  
I'm going to find a happy place

(I'm gonna find a happy place) A happy Place  
(I'm gonna find a happy place) A happy place  
(I'm gonna find a happy place) A happy place

Find a star, send down a beam to where you are  
An elevator of light taking you somewhere  
Where you'll always be loved

I have found that stress and nonsense  
Puts me in zone of avoidance  
Could my mind be moving faster  
Pulling like a super cluster  
Can be hard to trust a feeling  
But believing ends in seeing

We're going to find a happy  
We're going to find a happy  
We're going to find a happy place

(I'm gonna find a happy place) A happy place  
(I'm gonna find a happy place) A happy place  
(I'm gonna find a happy place) A happy place
