## Katie Melua, A Happy Place

I'm going to find a happy I'm going to find a happy I'm going to find a happy place

Seven thousand eyes are watching Marching home and no one's touching Army of the city workers
Secretaries, lawyers, brokers
Heading for a London station
Heading for a quick salvation
Oblivious to cherry cola
Trying to sell to every stranger

Stuck here it's cold I'm standing Hoping for some understanding Only way to go is inside

I'm going to find a happy I'm going to find a happy I'm going to find a happy place

Seven thousand light years travel Let my sense of time unravel Trapped feelings are never ending Send those weaknesses descending Towards the earth's red centre Let the fire rise and enter Tap into the primal power Rising like a giant tower

The energy receiving
Cut a hole right through the ceiling
People getting smaller as you fly

I'm going to find a happy I'm going to find a happy I'm going to find a happy place

(I'm gonna find a happy place) A happy Place (I'm gonna find a happy place) A happy place (I'm gonna find a happy place) A happy place

Find a star, send down a beam to where you are An elevator of light taking you somewhere Where you'll always be loved

I have found that stress and nonsense Puts me in zone of avoidance Could my mind be moving faster Pulling like a super cluster Can be hard to trust a feeling But believing ends in seeing

We're going to find a happy We're going to find a happy We're going to find a happy place

(I?m gonna find a happy place) A happy place (I?m gonna find a happy place) A happy place (I?m gonna find a happy place) A happy place
