Katie Melua, Better Than a Dream

I used to dream myself to somewhere else each night, I dreamed in colour ?cause I lived in black and white. Until I chanced upon this road that led to you, I could not see how anything could be?

Better than a dream Stranger than my wild imagination if this is a real sensation? it?s better than a dream? Higher than the moon hazy like a beautiful illusion crazy and in confusion and better than a dream.

I used to wish I was beyond some distant door, I knew there must be more to life and now I?m sure. No dreams of pirate caves, or Indian braves, or magic carpets could ever be this good?

Better than a dream
Stranger than my wild imagination
if this is a real sensation? it?s better than a dream?
Higher than the moon
hazy like a beautiful illusion
crazy and in confusion
and better than a dream
and better than a dream?
