

Katie Melua, First Date

Utwór 'First Date' z albumu 'Love & Money' od Katie Melua (premiera 24 marca 2023r.)

He said everyone is getting married
I said, well don't let that force the matter
I know the way these days can go
We're gonna get carried away

Oh, 'cause when the sea is strong
And when the vibe is good
And the music plays
And you're looking over
In all your sea surging ways
He's getting carried away
Somewhere up high

I like the way that he surfs
And he wants to go on a silent retreat
I told him I was getting into ballet
Now I'm getting carried away

Look, it's in every day living
If you wanna make it in romance
Something will need to start giving
Or how are you gonna make it fit between
The tempos and the songs and all that overthinking

I'm gonna be as careful about finding him
As careful as I am about finding songs

I hope he'll be the same
But I hope he'll get a little carried away
I hope he'll get the same strange ways
Now we're getting carried away
Among the light of the stars and the light of the sun
Silver in the clouds
Moving his blood 'round and 'round
I hope he'll dream of our future days
Now I'm getting carried away
I'm getting carried away
I'm getting carried away
