

# Katie Melua, Piece By Piece

First of all must go  
Your scent upon my pillow  
And then I'll say goodbye  
to your whispers in my dreams.  
And then our lips will part  
In my mind and in my heart,  
Cos your kiss  
Went deeper than my skin.

Piece by piece  
is how I'll let go of you  
Kiss by kiss  
Will leave my mind one at a time  
One at a time

First of all must fly,  
My dreams of you and I,  
There's no point of holding on to those  
And then our ties will break,  
For your and my own sake,  
Just remember,  
This is what you chose

Piece by piece  
Is how I'll let go of you  
Kiss by kiss,  
will leave my mind one at a time  
One at a time

I'll shed like skin,  
Our memories of lazy days,  
And fade away the shadow of your face

Piece by piece  
Is how I'll let go of you  
Kiss by kiss,  
Will leave my mind one at a time  
One at a time  
One at a time  
One at a time
