

Katie Melua, Scary Films

Scary films don't scare me now,
That you're around.
Since you been around;
Nowadays I never cry,
When the monster kills the guy,
And the psychopathic wife kills the husband with a knife

Hey baby, thanks for clearing my dreams,
Of all those horror scenes,
Which crept in uninvited.
I'm in love and I'm so excited,
Hey baby, thanks for clearing my dreams.

Scary films just make me smile,
When you are here.
When you are here.
In your arms I'm not afraid,
When the aliens invade.
And the vampire's just a joke,
'Cause I know he's just a bloke.

Hey baby, thanks for clearing my dreams,
Of all those horror scenes,
Which crept in uninvited.
I'm in love and I'm so excited,
Hey baby, thanks for clearing my dreams.

Zombies marching through the mist,
Make me think of being kissed.
And I don't care when peoples' heads,
End up being torn to shreds.

Hey baby, thanks for clearing my dreams,
Of all those horror scenes,
Which crept in uninvited.
I'm in love and I'm so excited,
Hey baby, thanks for clearing my dreams.

Thanks for clearing my dreams
