

Katie Melua, Thank You, Stars

Some call it faith, some call it love.
some call it guidance from above.
You are the reason we found ours,
So thank you, stars.

Some people think it's far away,
some know it's with them every day.
You are the reason we found ours,
So thank you, stars.

There are no winds
that can blow it away on the air,
when they try to blow it away
is when you know
it will always be there.

To some it's the strength to be apart,
to some it's the strange feeling in the heart.
And when you're out there on your own,
It's the way back home.

There are no winds
that can blow it away on the air,
when they try to blow it away
is when you know
it will always be there.

Some call it faith, some call it love.
some call it guidance from above.
You are the reason we found ours,
So thank you, stars.
So thank you, stars.
So thank you, stars.
