

# Katie Melua, Those Sweet Days

Utwór 'Those Sweet Days' z albumu 'Love & Money' od Katie Melua (premiera 24 marca 2023r.)

Sometimes I need to sit quietly, all on my own  
Speak with nobody and do nothing  
Be like a cherry tree in the wind  
Shedding its blossom on everything

All I need is to feel the sun in the morning (Ooh-ooh-ooh)  
Watch the world go by 'til the evening (Ooh-ooh-ooh)  
That won't get any respect, status or money in this world  
But, oh, it's those sweet days I live for  
Oh, it's those sweet days I wish for

A message from you with a last-minute invite  
But I see a free day ahead  
Maybe a walk in the city park  
Only a weightlessness in my heart

All I need is to feel the sun in the morning (Ooh-ooh-ooh)  
Watch the world go by 'til the evening (Ooh-ooh-ooh)  
That won't get any respect, status or money in this world  
But, oh, it's those sweet days I wish for  
Oh, it's those sweet days I live for

Now the wind is calling, the sails will turn  
Everything's growing and glowing from the warmth of the sun  
The city skyline is just ink, there's work to be done

All I need is to feel the sun in the morning (Ooh-ooh-ooh)  
Watch the world go by 'til the evening (Ooh-ooh-ooh)  
That'll give me everything I need in this world  
And oh, it's those sweet days I wish for  
Oh, it's those sweet days I live for

Oh, it's those sweet days  
Oh, it's those sweet days I live for
