

# Katie Melua, Tiger In The Night

You are the tiger burning bright  
Deep in the forest of my night  
You are the one who keeps me strong in this world

You sleep by the silent cooling streams  
Down in the darkness of my dreams  
All of my life I never knew  
You were the dream I'd see come true  
You are the tiger burning bright

I was the one who looked so hard I could not see.  
Now I could never live without the love you give to me.

I lived like a wild and lonely soul,  
Lost in a dream beyond control.  
You were the one who brought me home down to earth.

For you are the tiger burning bright  
Deep in the forest of my night  
All of my life I never knew  
You were the dream I'd see come true  
You are the tiger burning bright
