

Katie Melua, Two Bare Feet

Dancing cat and dancing mouse,
Down behind the Hyatt House
You don't need no food to eat,
All you need is two bare feet

Clock-house cuckoos drinking wine
Racing through those traffic signs
But walking out on Lazy Street
All you need is two bare feet

Two, two, two bare feet
Two, two, two bare feet

Crocodiles of sun-soaked kids
In sexy sandals, heaven forbid.
For kisses good enough to eat
All you need is two bare feet

Two, two, two bare feet
Two, two, two bare feet

INSTRUMENTAL

Two, two, two bare feet
Two, two, two bare feet

Dancing cat and dancing mouse,
Down behind the Hyatt House
You don't need no food to eat,
All you need is two bare feet

Two, two, two bare feet
Two, two, two bare feet

Crazy cat and crazy mouse
Down behind the Hyatt House!

Two, two, two bare feet
Two, two, two bare feet

Two, two, two bare feet
Two, two, two bare feet
