

# Katy B, Crying For No Reason

I pushed all my problems to the back of my mind  
Then they surfaced in my dreams, vague on the light  
I sweep all my issues to somewhere I can find  
In hope that I'll forget but there's just so many times

Why can't I be strong and just confront all my fears?  
When my fear is hurting you I'm being sincere  
But how many more days can I run? How many years  
Emotions flooding and I was so soon and so clear

Crying for no reason, feel the tears roll down  
I felt strong but am I breaking now?  
Crying for no reason 'cause I buried it deep  
I made promises I could not keep  
'Cause I never faced all the pain I caused  
Now the pain is hitting me full force

I pushed all my problems to the back of my brain  
A darkness deep inside where I just can't find my way  
How can I walk with a smile? Get on with my day  
When I deceived myself pretending it's all okay

I tried my best to hold it all together, I know  
The strings have worn away and now I'm all exposed  
I try and hide it all away on top of the shelf  
I can lie to everyone but not to myself

Crying for no reason, feel the tears roll down  
I felt strong but am I breaking now?  
Crying for no reason 'cause I buried it deep  
I made promises I could not keep  
'Cause I never faced all the pain I caused  
Now the pain is hitting me full force

Forgive me now 'cause I said that I'll be there for you, care for you  
I let you down, I walked away  
'Cause there were things I couldn't say to you, say to you  
I'm breakin now

I burned some bridges down  
There must be some way out  
The voices speak so loud  
Will you forgive me now?  
/2x

Crying for no reason, feel the tears roll down  
I felt strong but am I breaking now?  
Crying for no reason 'cause I buried it deep  
I made promises I could not keep  
'Cause I never faced all the pain I caused  
Now the pain is hitting me full force
