

Katy B, Who Am I (ft. Craig David & Major Lazer)

I got this pain and I don't know what to do with it
I got this pain, but I just can't go through with it
I can't let go, so you just take the best of me
I can't let go, cause I don't know who else to be.

Who am I if I ain't loving you?
Tell me, who am I if I ain't loving you?
Baby, who am I if you're not loving me?
Tell me, cause you and me, that's my identity

[Katy B & Craig David:]
I feels so cold
Cause I know that you be lovin' somebody new, babe
Well that's the word around town
I feel so cold
And I don't even know what I'm supposed to do now
Thought you were holding me down
You don't care
Cause I see the look in your eyes, baby
Actions speakin' louder than words lately
You don't care
Something's telling me that I should still be fighting for you

Who am I if I ain't loving you?
Tell me, who am I if I ain't loving you?
Baby, who am I if you're not loving me?
Tell me, cause you and me, that's my identity

[Katy B & Craig David:]
Take me back
To the day your heart belongs to me
Take me back
Only your touch, boy, can set me free
There's no test
He can't love you like I do!
There's no test
Cause all of me, I gave to you, you

Who am I if I ain't loving you?
Tell me, who am I if I ain't loving you?
Baby, who am I if you're not loving me?
Tell me, cause you and me, that's my identity

[Katy B & Craig David:]
I don't know who I am if I ain't in your arms, baby
I don't know, I don't know
I don't know who I am if I ain't in your arms, baby
I don't know, I don't know, don't know!

[Katy B & Craig David:]
Who am I if I ain't loving you?
Tell me, who am I if I ain't loving you?
Baby, who am I if you're not loving me?
Tell me, cause you and me, that's my identity
It's my identity
