

# Katy Perry, Daisies

Told them your dreams  
and they all started laughing  
I guess you're out of your mind  
till it actually happens  
I'm the small town  
one in 7 billion  
why can't it be me

they told me I was out there  
tried to knock me down  
took those sticks and stones  
showed 'em  
I could build a house  
they tell me that I am crazy  
but will never  
let 'em  
change me  
till they cover me in daisies  
daisies  
daisies

when did we all stop believing in magic  
why did we put  
all our hopes in a box in the attic  
I'm the long shot  
I'm the Hail Mary  
why can't it be me

they told me I was out there  
tried to knock me down  
took those sticks and stones  
showed 'em  
I could build a house  
they tell me that I am crazy  
but will never  
let 'em  
change me  
till they cover me in daisies  
daisies  
daisies

they said I'm going nowhere  
tried to count me out  
took those sticks and stones  
showed 'em  
I could build a house  
they tell me that I am crazy  
but will never  
let 'em  
change me  
till they cover me in daisies
