

# Katy Perry, Don't Speak

Would you still want to see me, if you knew how i feel?  
You claim you still love him, I can't see how its real.  
We went out for just a try, it turned into the story of your life.  
I've never met a girl as beautiful as you, it may be a craze we'll see how it feels.  
I think if you left too I'd never make you cry, then we'd both pout as we'd say goodbye.  
Don't speak, I'm dieing cuz i know it all.  
Don't leave he's only gonna let you fall.  
I'm here you know that you could have it all.  
Take me I'm never gonna let you fall.  
Bu-du-dah, Bu-du-dah, bu-dah-du-la-la.  
Bu-du-dah, Bu-du-dah, bu-dah-du-la-la.  
Bu-du-dah, Bu-du-dah, bu-dah-du-la-la.  
How's it feel, hurting all the time?  
Tell me what its like putting up with all his lies.  
Stick with me and we could leave this town.  
Never look back, its part of the past now (past now).  
Don't speak, I'm dieing cuz i know it all.  
Don't leave he's only gonna let you fall.  
I'm here you know that you could have it all.  
Take me I'm never gonna let you fall.  
Bu-du-dah, Bu-du-dah, bu-dah-du-la-la.  
Bu-du-dah, Bu-du-dah, bu-dah-du-la-la.  
Bu-du-dah, Bu-du-dah, bu-dah-du-la-la.  
Bu-du-dah, Bu-du-dah, bu-dah-du-la-la.  
Bu-du-dah, Bu-du-dah, bu-dah-du-la-la.  
Bu-du-dah, Bu-du-dah, bu-dah-du-la-la.  
Bu-du-dah, Bu-du-dah, bu-dah-du-la-la.  
Bu-du-dah, Bu-du-dah, bu-dah-du-la-la.
