Katy Perry, Lost

I'm out on my own again
Face down in the porcelain
Feeling so high but looking so low
Party favors on the floor
Group of girls banging on the door
So many new fairweather friends

Have you ever been so lost Known the way and still so lost

Caught in the eye of a hurricane Slowly waving goodbye like a pageant parade So sick of this town pulling me down My mother says I should come back home but Can't find the way cause the way is gone So if I pray am I just sending words into outer space

Have you ever been so lost Known the way and still so lost Another night waiting for someone to take me home Have you ever been so lost

Is there a light
Is there a light
At the end of the road
I'm pushing everyone away
'Cause I can't feel this anymore
Can't feel this anymore

Have you ever been so lost Known the way and still so lost Another night waiting for someone to take me home Have you ever been so lost Have you ever been so lost
