

Katy Perry, Not the End of the World

It's Not the End of the World
It's Not the End of the World
Throw on your fancy attire
Fears in the fire
Don't lose hope
It's no funeral we're attending

Actually, just the beginning
Throw on your fancy attire
Fears in the fire
Don't lose hope
It's Not the End of the world, not the end of the
World

You can catch a star if the sky is falling down
There's a golden lining in every single cloud
You can take a frown
Turn it all the way around
all the way around
all the way around
a fortune teller told me
The powers in your mind
You might see a Cliff
But I see a way to fly
Flipping off the flop
Now I just enjoy the ride
Just just enjoy the ride
Just just enjoy the ride

To be alive
Don't say goodbye

It's Not the End of the World
It's Not the End of the World
Throw on your fancy attire
Fears in the fire
Don't lose hope
It's no funeral we're attending

Actually, just the beginning
Throw on your fancy attire
Fears in the fire
Don't lose hope
It's Not the End of the world, not the end of the
World

You can make a wish
Even on a satellite
On a plastic laser anything you like
You can tame the dragon if you're not afraid to fight
not afraid to fight
not afraid to fight

To be alive
Don't say goodbye

It's Not the End of the World
It's Not the End of the World
Throw on your fancy attire
Fears in the fire
Don't lose hope
It's no funeral we're attending

Actually, just the beginning

Throw on your fancy attire
Fears in the fire
Don't lose hope
It's Not the End of the no, not the end of the
World
