Katy Perry, Rush

I kissed your sweet lips I floated so high Your eyes looked at mine The world froze in time What is this feeling? I am on cloud nine

Guess

I'm still reeling

From your body

Next to mine

It's a rush

I can't explain

Like you shot

Something crazy

Into my veins

And I'm ten feet

Off the ground

And I don't want

To come down

Don't want

To come down

I know

You're sleeping

I wish you

Were right here

'Cause my bed's so empty

I'd hold you so close dear

And I sang my song to you Your smile was priceless

What else can I do?

I'm a junkie over you

It's a rush

I can't explain

Like you shot something

Crazy into my veins

And I'm ten feet

Off the ground

And I don't want

To come down

Is it me

Or is everything spinning

I'm wide awake

But I must be dreaming

It's like

You're some kind of drug

Try to catch my breath

And see

If I'm still breathing

Touch my heart

And make sure

It's beating

It's like

I'm falling in love

It's a rush

I can't explain

Like you shot

Something crazy

Into my veins

And I'm ten feet

Off the ground And I don't

No I don't

No

Don't want

To come down Don't want To come down Gonna come down
