

# Katy Perry, Simple

You're such a poet  
I wish I could be Wesley Willis  
My words would flow like honey  
Sweet and laid on thick  
You're so edgy  
You don't even need a rhyming dictionary  
I wipe my hands on your jeans  
Cause they are more distressed  
So they say you've got a CD  
And they claim you can barely read  
But you say don't bother me with all of your reality

But it could be so simple  
(you were thinking)  
Life should be that simple  
(Who would have thought it)  
I wish it were just so simple  
(don't know what you were thinking)  
But the point's been missed  
You've made a mess  
Who would have guessed  
That it's as simple as it seems

So what, you're a genius  
But you've got a lot to learn  
Like the time you lost your apartment  
Cause you bought too much Vuitton  
You park in a loading zone  
You sleep with the lights all on  
You cross your i's and dot your t's  
All it goes to show

That it could be so simple  
(you were thinking)  
Life should be that simple  
(Who would have thought it)  
I wish it were just that simple  
(don't know what you were thinking)  
The point's been missed  
We've made a mess  
Who would have guessed  
That it's as simple as it seems

I'm not saying that it's a piece of cake  
Just take a moment to reevaluate  
The possibilities  
The situations  
The opportunities  
That are waiting  
Oh, the possibilities  
Oh, I

It could, it could be that simple  
(you were thinking)  
Life should be that simple  
(Who would have thought it)  
I wish it were just so simple  
(don't know what you were thinking)  
You're in a haze  
It's just a phase  
You know this maze  
Is as simple as it seems

We could talk all day

About your eccentricities  
What I mean to say  
Oh, is that I need you listen please  
And focus on life's simplicities  
So don't be afraid to strip it away  
Cause at the end of the day  
It's still as simple as it seems

It is all so simple  
Just deal with it
