

# Katy Perry, Waking Up in Vegas

You gotta help me out  
It's all a blur last night  
We need a taxi  
'Cause you're hung over  
And I'm broke

I lost my fake I.D.  
But you lost the motel key  
Spare me your freakin'  
Dirty looks now  
Don't blame me

You wanna cash out  
And get the hell outta town  
Don't be a baby  
Remember what you told me

Shut up and put your money where your mouth is  
That's what you get for waking up in Vegas  
Get up and shake the glitter off your clothes now  
That's what you get for waking up in Vegas

Why are these lights so bright  
Did we get hitched last night  
Dressed up like Elvis  
Why am I wearing your class ring

Don't call your mother  
'Cause now we're partners in crime  
Don't be a baby  
Remember what you told me

Shut up and put your money where your mouth is  
That's what you get for waking up in Vegas  
Get up and shake the glitter off your clothes now  
That's what you get for waking up in Vegas

You got me into this  
Information overload  
Situation lost control  
Send out an S.O.S.

Ha, and get some cash out  
We're gonna tear up the town  
No don't be a baby  
Remember what you told me  
Remember what you told me  
Remember what you told me  
You told me  
You told me

Shut up and put your money where your mouth is  
That's what you get for waking up in Vegas  
Get up and shake the glitter off your clothes now  
That's what you get for waking up in Vegas

That's what you get baby  
Shake the glitter  
Shake shake shake the glitter  
Gimme some cash out baby  
Gimme some cash out baby
