

Kayah, Kayah to Kayah

I'm my friend I am my own stranger
I'm the same but not the same as her
I am different from all the ones
I've met And all the ones I've met are the same
yet Kayah Kayah Yeah
Kayah-is that me Kayah
Kayah Yeah Kayah-who will I be
If I'm to be
The truth about me like the truth is relative
And like every woman like all women sensitive
Kayah...
