## Keane, Bedshaped (live compilation)

Many's the time I ran with you down The rainy roads of our old town Many the lives we lived in each day And buried altogether Don't laugh at me Don't look away

You'll follow me back
With the sun in your eyes
And on your own
Bedshaped
And legs of stone
You'll knock on my door
And up we'll go
In white light
I don't think so
But what do I know?
What do I know?
I know!

I know you think I'm holding you down And I've fallen by the wayside now And I don't understand the same things as you But I do

Don't laugh at me Don't look away

You'll follow me back
With the sun in your eyes
And on your own
Bedshaped
And legs of stone
You'll knock on my door
And up we'll go
In white light
I don't think so
But what do I know?
What do I know?
I know!

And up we'll go In white light I don't think so But what do I know? What do I know? I know!
