

Keane, Love Too Much

only WANT to say that I gave it all I had
that I felt afraid, and I didn't setp back
whether right or wrong
I didn't everything whit love
felt it all
gave it all
drank it all

when we make mistake
and they make us what we are
and we jump right on
throw open our hearts
catch a glimpse of something magical
want it all
take it all
got it all

then we love too much
or we push too hard
or we fly too high
or we go too far
for a moment io was all that you could see
for a moment I was al that I could be
nothing can take that away from me
nothing can take that away from me

and our purest drams
steal something form our lives
that can only live
because something else dies
they lift us up
and they make us walk so tall
got it all /3x

then we love too much
or we push too hard
or we fly too high
or we go too far
for a moment io was all that you could see
for a moment I was al that I could be
nothing can take that away from me
nothing can take that away from me
nothing can take that away from me

and our purest drams
steal something form our lives
that can only live
because something else dies
they lift us up
and they make us walk so tall
got it all /3x

then we love too much
or we push too hard
or we fly too high
or we go too far
for a moment io was all that you could see
for a moment I was al that I could be
nothing can take that away from me
nothing can take that away from me
nothing can take that away from me
