

# Keane, Nothing In My Way

A turning tide  
Lovers at a great divide  
why d'you laugh  
When I know that you hurt inside?

And why d'you say  
It's just another day, nothing in my way  
I don't wanna go, I don't wanna stay  
So there's nothing left to say?  
And why d'you lie  
When you wanna die, when you hurt inside  
Don't know what you lie for anyway  
Now there's nothing left to say

A tell-tale sign  
You don't know where to draw the line

And why d'you say  
It's just another day, nothing in my way  
I don't wanna go, I don't wanna stay  
So there's nothing left to say  
And why d'you lie  
When you wanna die, when you hurt inside  
Don't know what you lie for anyway  
Now there's nothing left to say

Well for a lonely soul, you're having such a nice time  
For a lonely soul, you're having such a nice time  
For a lonely soul, it seems to me that you're having such a nice time  
You're having such a nice time

For a lonely soul, you're having such a nice time  
For a lonely soul, you're having such a nice time  
For a lonely soul, it seems to me that you're having such a nice time  
You're having such a nice time
