

Kedash, Tasty

Tasty

Chorus:

Tasty sweet like candy
(I'm so tasty, just like candy, you're my type of guy)
Sexy You really want to have me
I see the filling is strong
You're my kind of guy so let's get it on

Verse1:

I'm tasty
Skin silky smooth like caramel
I may let you taste but you can't tell
Or I won't give you no more
Even if you scream at my door
Things can go smooth
If you just stick to the rules
Don't run your mouth like a fool
Kiss me on my neck and go ooh
Whisper in my ear I'm tasty

Chorus:

Tasty sweet like candy
(I'm so tasty just like candy, you're my type of guy)
Sexy you really want to have me
I see the filling is strong
You're my kind of guy so let's get it on

Verse2:

I'm sexy
Hot and bothered come get me
Don't act shy let's get it on
Turn off your cellular phone
I'm gone make you moan and groan
Things 'ill go my way

If you have a problem hit the highway
First we do a little foreplay
Caress my body baby
Whisper in my ear I'm sexy.

Chorus:

Tasty sweet like candy
(I'm so tasty just like candy you're my type of guy)
Sexy you really want to have me
I see the filling is strong
You're my kind of guy so let's get it on

Rap:

Now that's the type of girl I like ma
Type a girl I put my dukes up and fight for
The type of girl that when you walk in the room
You gone steal the show
Have them other broads feeling low
They try to steal your flow

When you pass sweat smell of channel
And on the 10 scale you weigh way over 12
No I ain't trying to hit and question mark
I'm trying tell how I feel you're a work of art
Yeah I know you...

Chorus:

Tasty sweet like candy
(I'm so tasty just like candy you're my type of guy)
Sexy you really want to have me
I see the filling is strong
You're my kind of guy so let's get it on
