

# Kehlani, Nights Like This (feat. Ty Dolla \$ign)

you act like you need remindin  
tryna do it over  
bring it back and rewind it  
but all that glitters isn't gold  
I was blinded  
should have never gave you my heart on consignment

and I can't believe the lies that I went for  
thought you was mine  
but you decided to be wiyh him though  
you took my feelings and just threw them out the window  
feel like it's too hard to fall in love again, no!

on some nights like this, shawty  
I can't help but I think of u  
I've been reminiscin', sippin', missin' ya  
can you tell me what's with all this distant love?  
if I called would you pick it pu?  
on some nights like this  
I just wanna text you  
but for what?  
you gon' say you want me  
then go switch it up  
just gon' play with my emotions just beecause, no!

all them times I played the fool for you  
thinking we could puyt it back together  
thought we had forever  
you never connection is so severed  
you don't show no effort

and I can't believe the lies that I went for  
thought you was mine  
but you decided to be wiyh him though  
you took my feelings and just threw them out the window  
feel like it's too hard to fall in love again, no!

on some nights like this, shawty  
I can't help but I think of u  
I've been reminiscin', sippin', missin' ya  
can you tell me what's with all this distant love?

on some nights like this  
I just wanna text you  
but for what?  
you gon' say you want me  
then go switch it up  
just gon' play with my emotions just beecause, no!

you gon' get my hopes high, girl  
you gon' get my hopes high,  
just gon' tell more lies  
just get my hopes high, girl
